Btw, if they feel we aren't responsive... since I'll soon be living directly in the area starting next week, I'd be more than happy to head up there once or twice a week and check the traffic, parking and situation (even in my off time every bit or two) and perhaps make myself a bit visible. It might be helpful.

That would be great.

Also, if I cannot get up there tomorrow, I would love for you to go. And please knock on Christine's door on Beachwood.

Catherine knows the house. I think it's at the very top.
